Straws

D&W Fine Pack is the largest manufacturer of straws in the United States.

We offer a wide variety lengths, thicknesses and wrapping options.

Our Milk Straws can be used in school cafeterias, as they are sized for individual servings of milk or juice cartons. We have two sizes of Soda Straws to accommodate a wide range of sodas and juices.

For thicker drinks like milkshakes, smoothies, or slushies, consider our Milkshake Straws. D&W Fine Pack also provides flexible straws, angle straws and spoon straws for Specialty uses.

Standard straw length ranges from 5 inches through 13.25 inches. In general, a longer straw has a wider diameter. Standard straw colors include white, white with red stripe, black, red and clear. Straws can be unwrapped or wrapped in either paper or film. Custom lengths, colors and wrapping is available.

Specialty cutlery such as soda and taster spoons are also available.

Most cutlery can be purchased in bulk, wrapped, or in convenient dining kits. Most cutlery is available in white, black, with our Full-size Advantage (PS) also available in Champagne. See specific product descriptions for full offerings.
